TRANSPORT GUIDE

— 2026 - 2027 —

WELCOME

Dear Parents and Guardians,

Thank you for taking the time to look at d'Overbroeck's Oxford's plans for its home to school transport provision for September 2026.

This guide sets out the range of home to School travel options available to our pupils, provides an overview of the school bus service network, gives timetable information also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

d'Overbroeck's Oxford has partnered with Vectare, a specialist school transport management company, to manage our home to school bus service. Bookings are not yet open and will be available soon after half term. All bookings will be made via our online booking system, which can be viewed at doverbroecks.vectare.co.uk or through the hyperlink/portal on the School's website in the transport section. Payment for the bus service will be made via the online booking system. Bookings can be made right up until the bus is due to depart although ad hoc bookings on the service are only available where there is spare capacity. Other amendments and changes can also be made via the 'my account' section of doverbroecks.vectare.co.uk.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website at doverbroecks.vectare.co.uk and we will be pleased to assist.

Thank you for supporting this exciting initiative.

Yours sincerely,

Sophie Bailie
Operations Manager

A large, ornate, light-colored stone building with multiple windows and balconies, likely a historic residence or institutional building. The building features a prominent corner bay window on the left side and a central entrance with a small balcony. The architecture is characterized by decorative stonework and arched windows. The building is surrounded by greenery and a lawn.

TERMS & CONDITIONS

1. This agreement is made between all school bus passengers, their parents and D'Overbroeck's Oxford in order to provide safe, comfortable and civilised journeys for all passengers.

2. Arrangements for pupils' journeys to and from the school are the responsibility of their parents. To assist with discharging this responsibility, D'Overbroeck's Oxford provides a transport service.

3. Transport on the school bus service must be arranged in advance. If you wish to use the school bus service on an ad hoc basis, or to vary the details of your bus travel as a one-off, you should book travel via the website prior to travel. Payment for the service is made online at the time of booking and your child's name will automatically be added to the register. Bookings are to be made online via doverbroecks.vectare.co.uk

4. Bookings on the school bus service are nonrefundable in the event of a pupil failing to travel.

5. It will be the parents' responsibility to inform the school via the 'Contact Us' form on the website if they no longer wish to use the school bus service. A half term's notice must be given by a parent prior to the removal of a pupil from the school bus service (apart from an ad-hoc journey). If an ad hoc journey is cancelled with more than 24 hours' notice the booking can be transferred to another journey.

6. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by them or their parents.

7. Pupils must travel to and from D'Overbroeck's Oxford in full school uniform or a full school PE kit (except on approved non-uniform days).
8. Pupils should be at the bus stop five minutes before the scheduled time of departure to ensure they don't miss the service. In the evening, parents should be at the bus stop five minutes before the estimated time of arrival to collect a passenger.

9. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, eating, playing music, or any other misbehaviour is strictly forbidden.

10. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.

11. Whilst on a school bus, all passengers must accept without question the authority of a transport company official or school member of staff who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.

12. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.

13. D'Overbroeck's Oxford aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time. This will not apply to the afternoon journeys due to having estimated journey times that will change on a daily basis.
