

**D'OVERBROECK'S
OXFORD**

A NORD ANGLIA EDUCATION SCHOOL

29th June 2026

Dear Students and Parents,

Welcome to d'Overbroeck's!

We hope that you have had a nice, relaxing summer and are looking forward to joining us. We are writing to provide information about the start of term and the induction process.

Boarding Students

All boarding students are expected to arrive at their boarding houses on Sunday 6th September. Boarding houses will be open for arrivals from 9am to 7pm. The term dates, including boarding house arrival and departure times, are available via the attached document for your reference.

On arrival, boarders will meet the boarding staff, be shown to their new room, and meet their roommate, if applicable. They will then have time to unpack and settle in. Parents are very welcome to attend on arrival day to help students settle into their surroundings.

There will be an initial boarding induction meeting for students at 7pm that evening. Further induction activities will take place throughout the first week, allowing students to settle in gradually without feeling overwhelmed.

All students

Sixth Form Induction will take place on the morning of **Monday 7th September**.

Arrival arrangements differ for boarding and non-boarding students:

- Boarding students should arrive at 8:00am. Breakfast will be provided as well as an opportunity to mingle.
- Day students should arrive at 10:30am, when they will have time to register and mingle with staff and fellow students before the programme begins.

The day will formally begin at 8:30am for boarders and will run until 5.45pm. Lunch and dinner will be provided for all students on the first day. Dinner includes a welcome BBQ allowing students and staff to mingle. We kindly ask that students bring a water bottle with them.

What to expect on the day

The induction programme is designed to help students settle into Sixth Form life. It will include:

- A welcome assembly
- Sessions with their Director of Studies (DoS) in which timetables, logins, subject information will be provided
- Registration processes for school lanyards, locker allocations, school photo for ID card.

**D'OVERBROECK'S
OXFORD**

A NORD ANGLIA EDUCATION SCHOOL

- Fun stuff: icebreakers and teambuilding activities throughout the day
- Opportunities to meet other students and staff

A detailed plan for the day, and for the first week will be provided to the student on induction day.

What to bring with you:

- If you are a **UK passport holders**, please bring your passport and GCSE results with you so they can be photocopied and kept on record.
- For **non UK Passport Holders**, we will need to do your Right to Study Check from 8am-11am. You need to bring the following with you:
 - Passport(s)
 - Share Code (for visa status check)
 - Boarding Pass or Flight Ticket if on a sponsored visa – Can be electronic or a physical copy
 - Visa Application Form – Only if you applied for your visa within the UK and are still waiting for your decision letter or share code
 - Qualification Certificates – e.g. GCSEs or international equivalents
 - All students must bring in their electronic devices and ensure that they are charged so that you connect to your Microsoft school account. If you are still to purchase a personal device for Sixth Form study, we would recommend purchasing a touchscreen Windows device where a stylus pen can be used. You are free to wear whatever your wish (within reason) - we do not have a school uniform.

We know that it can also bring a mix of stress and anxieties, and if you have anything you would like to discuss with us before the start of term, then please do get in touch. We are very much looking forward to seeing you soon.

Best wishes,

Fatima Safi *Hannah Mungall*
