We aim for our students to:

- be happy and confident in themselves so they excel academically and thrive personally
- have the curiosity, skills and adaptability to be ready for a successful future

We believe in the power of:

- purposeful informality and academic rigour
- collaboration and originality
- individuality and belonging
- mutual respect and laughter
- outstanding teaching

Our students will:

EXCEL ACADEMICALLY

How they will get there:

- Outstanding teaching
- Academic challenge
- Personalised learning

THRIVE PERSONALLY

- Personal tutors
- Range of individual and team activities
- Respect for self and others

BE FUTURE READY

- Inspiring learning environment
- Individual pathways
- Dedicated careers and university guidance
