SUBMITTING YOUR APPLICATION

The application documents that you send us will be a key part of the selection process and can determine whether or not your application is shortlisted for interview.

Please ensure you send us:

1. A fully completed and signed d'Overbroeck's Application Form.

Please note that there are two versions of the Application Form depending on whether you are applying for a teaching or a non-teaching post. Both can be downloaded from the website: <https://www.doverbroecks.com/home/vacancies/>

2. A full CV.
3. A covering letter.

- Please note that we will not normally consider an application if we do not receive all of these three documents.
- Please note also that if you have submitted an application form completed on line, you must bring a signed paper copy of your application form with you when you come for interview.

Before submitting your application, we ask that you read the Post Details carefully and ensure that you express, in detail, all the skills, qualifications and experience that you have and you believe are relevant to the specific position for which you are applying.

REFERENCES

If you are applying for a teaching post (including a teaching assistant position)

You must give the names and contact details of three people whom we may contact for references. One of these must be your current head teacher. If you have recently moved schools, you will need also to provide details of your previous head teacher.

If you are applying for a non-teaching post

You must give the names of two people whom we may contact for references. One of these must be your present or most recent employer.

If you are currently working in a school or other educational establishment, or if you have recently worked in one, then we ask that one of your nominated referees be the head teacher – or your line manager if that is more appropriate.

If you are a recent school or college leaver one of your referees must be one of your recent teachers or lecturers.

When will we write to your referees?

Ideally, we would want like to seek references for our shortlisted candidates prior to interview. However, we appreciate that you may not wish your current employer to be contacted prior to the first interview. If this is the case, you will have the opportunity to indicate this on the application form. Please do so clearly.

If you are to be invited for a second interview, then we will, as a matter of course, need to ask for any outstanding references before the date of the second interview.

Please also note that:

- In all cases, written references will be sought directly from the referee; we will then contact the referee directly to authenticate the reference and, where necessary, to clarify any discrepancies or anomalies.
- Where necessary, and as a school with clear safeguarding responsibilities, previous employers who have not been named as referees may be contacted in order to clarify any such anomalies or discrepancies.
- Please note that we would not normally accept references from friends or relatives, or open references addressed 'to whom it may concern'.

What questions do we ask the reference providers?

Our standard reference request form includes specific questions about the following:

- The applicant's suitability to work with children and young people;
- Any substantiated allegations;
- Any disciplinary warnings, including time-expired warnings, relating to the safeguarding of children and young people;
- The applicant's current (or most recent) post and salary;
- The applicant's attendance record;
- The applicant's disciplinary record.
