Preparations for the GCSE art exhibition on 8 June

Year 11 have now finished their GCSE art course and have shifted their attention and efforts to the rest of their exams, but behind the scenes preparations are underway for the annual TIS GCSE Art Exhibition. The display will showcase some of the best work done by each student this year, celebrating achievement, resilience, passion and skill. We look forward to welcoming as many of you as possible on the evening of the 8 June.

In the meantime, here are some snippets of their completed work...

Here we have two students who have used fire as part of their processes: Bahar's window reflecting the burning of the scarves in Tehran earlier this year, and below – Sophie looking at the aftermath of the invasion in Ukraine.

Looking forward to seeing some of you at the Art Exhibition!
